

# New City Infrastructure Master Planning Project

Your views are important to help shape the future of the New City Neighborhood!

1) What improvements or future uses would you like to see at Parsons Street Park (the small park on the corner of Parsons and Federal Streets)? Circle all that apply.

- New play equipment
- Shade trees
- Benches/seating
- Walking path
- Other \_\_\_\_\_
- Community gathering space
- Active recreation opportunities
- Passive recreation opportunities
- Screening from street
- Improved lighting

Comments:

2) How would you like to see the old Parsons Street School Parcel on Lincoln Street used to benefit residents of the New City neighborhood? Circle all that apply.

- New play equipment
- Shade trees
- Benches/seating
- Water play feature
- Public parking
- Other \_\_\_\_\_
- Walking path
- Community garden plots
- Recreation fields/courts
- Lighting for evening use
- Picnic tables

Comments:

3) What are the most important things to improve to make New City better connected for residents—both within the neighborhood and between New City and other places? Circle all that apply. Please note specific locations if relevant.

- Pedestrian access
- Disability access
- Stroller access
- Safe routes for bikes
- Not enough sidewalks
- Other safety issues: \_\_\_\_\_
- Connections to public resources such as: \_\_\_\_\_
- Access to recreation facilities such as: \_\_\_\_\_
- Connection to public transit
- Not enough street lighting
- Safety concerns due to vehicle traffic

Comments:

4) What do you think are the most important infrastructure problems that need to be resolved in New City? Circle all that apply. Please note specific locations if relevant.

- Drainage problems
- Roadway condition
- Sidewalk condition
- Crosswalks
- Need for shade/trees
- Not enough sidewalks
- Not enough parking
- Winter snow management/storage space
- Disability access
- Street lights
- Water pressure
- Sanitary sewer problems (backups)

Comments:

5) What are the top 3 priorities for you for improvements or new facilities you'd like to see in the New City neighborhood?

#1

#2

#3

6) What street do you live on or own property on? \_\_\_\_\_  
(This will help us better understand the issues you've described above even if you don't share your address.)

Optional:

If you would like to receive additional project updates, please provide your contact information.

Name: \_\_\_\_\_

Street Address: \_\_\_\_\_

Email: \_\_\_\_\_

Phone: \_\_\_\_\_
