

EASTHAMPTON POLICE DEPARTMENT		Department Manual: Policy No.
Subject: Collection of Traffic Stop Data		
MASSACHUSETTS POLICE ACCREDITATION STANDARDS REFERENCED: AN ACT RELATIVE TO JUSTICE, EQUITY AND ACCOUNTABILITY IN LAW ENFORCEMENT IN THE COMMONWEALTH <i>EPD 4.09, Bias-Free Professional Policing Policy</i>		GENERAL ORDER GO-21-03
Issue Date: 05/11/2021 Effective Date: 05/11/2021 Revision Date:	Issuing Authority <i>Robert J. Alberti</i> Robert J. Alberti Chief of Police	

Collection of Traffic Stop Data

This General Order is an important update to previous directives concerning the accurate collection of driver demographic data on our traffic stops, which is required under the MA Police Reform Bill.

There is a new tab in IMC that allows for us to collect more data when it pertains to traffic stops. The tab is labeled "RACE" and is located, in both Dispatch and Records (under Citations).

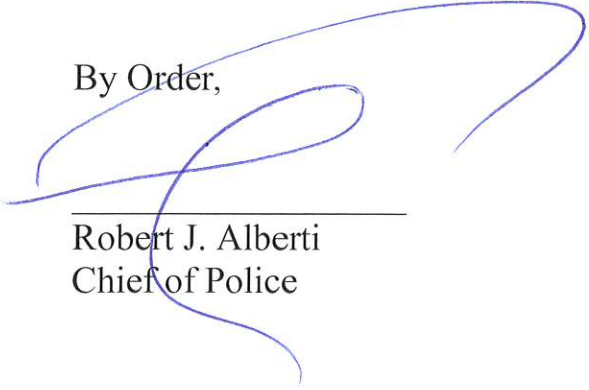

Officers: SHALL fill out this tab when a ticket is issued, either a written warning or a civil/criminal citation. **Dispatchers:** SHALL enter this information if there is a verbal warning, no citation issued, by backfilling the information from the CAD of the operator.

The process is simple and operates the same in both Dispatch and Records. In Records it is under the Citations tab, and in Dispatch it is located within the vehicle tab. The process is as follows:

1. Hit the space bar when in the Race tab, this will generate a new number.
2. Most of the information will populate from the blotter. All **blue highlighted** boxes are mandatory fields and should be filled out accurately.
3. **"U" (unknown race) is not an acceptable entry. Officers are dealing face-to-face with the individual, and dispatchers can look at the RMV photo to make a determination. This is an officer's subjective determination of the driver's race, you are not asking a driver for this information.**
4. If you do not know what a box means, click the down arrow and it will give you options.
5. When you are done hit F10 to save the information.

This information will be contained in its own searchable data base, including by Officer, which will allow for more accurate demographic information for transparency and to comply with the Police Reform Bill (*see attached examples*).

By Order,

Robert J. Alberti
Chief of Police

Easthampton Police Department
